This Key Information Memorandum (KIM) sets forth the information, which a prospective investor ought to know before investing. **For further details of the scheme/ Mutual Fund, due diligence certificate by the AMC, Key Personnel, investors' rights & services, risk factors, penalties & pending litigations, etc. investors should, before investment, refer to the Scheme Information Document & Statement of Additional Information available free of cost at any of the Investor Service Centres or distributors or from the website www.reliancecmutual.com**

The Scheme particulars have been prepared in accordance with Securities and Exchange Board of India (Mutual Funds) Regulations 1996, as amended till date, and filed with Securities and Exchange Board of India (SEBI). The units being offered for public subscription have not been approved or disapproved by SEBI, nor has SEBI certified the accuracy or adequacy of this KIM. This KIM is dated March 29, 2018.

INVESTMENT OBJECTIVE -

The investment objective of the Scheme is to seek to provide returns that closely correspond to returns provided by Reliance ETF Gold BeES.

ASSET ALLOCATION PATTERN OF THE SCHEME:

Under normal circumstances, the anticipated asset allocation would be:

Instruments	Indicative asset allocation (% of total assets)		Risk Profile
	Minimum	Maximum	
Units of Reliance ETF Gold BeES	95%	100%	Medium to High
Reverse repo and /or CBLO and/or short-term fixed deposits and/or Schemes which invest predominantly in the money market securities or Liquid Schemes*	0%	5%	Low to Medium

*The Fund Manager may invest in Liquid Schemes of Reliance Mutual Fund. However, the Fund Manager may invest in any other scheme of a mutual fund registered with SEBI, which invest predominantly in the money market securities.

The deviation from the underlying ETF may occur mainly on account of the receipt of cash flows which on an average takes 5 days given the existing operational procedure.

Month-end AUM as on 28/02/2018: Rs. 674.19 Crs

No of Folios as on 28/02/2018: 177223

NOTE : The name of R*Shares Gold BeES has been changes to Reliance ETF Gold BeES w.e.f March 30, 2017

WHAT ARE THE INVESTMENT STRATEGIES?

To achieve the investment objective, the scheme will predominantly invest in units of Reliance ETF Gold BeES which is registered with SEBI and / or permitted by SEBI from time to time. Reliance Gold Savings Fund can buy/sell the units from the underlying scheme in Creation Unit Size also by way of cash. The investments could be made either directly in Reliance ETF Gold BeES or through the secondary market. This facility would provide Reliance Gold Savings Fund an additional source to purchase the units through RNAM in addition to the stock exchange route. The scheme will also invest in money market instruments. The AMC shall endeavor that the returns of Reliance Gold Savings Fund will replicate the returns generated by the underlying ETF and is not expected to deviate more than 2%, on an annualized basis net of recurring expenses in the Scheme.

The deviation from the underlying ETF as specified above shall mainly be on account of the receipt of cash flows which on an average takes 5 days given the existing operational procedure.

The table shows below the impact that could happen on fund performance as a result of delay in receipt of money over the period from 1st Dec 2017 to 28th Feb 2018.

% difference in prices between 'n' days	2 days	3 days	4 days	5 days	6 days	7 days
Average	0.10%	0.15%	0.20%	0.26%	0.31%	0.38%
Max	1.62%	1.83%	2.08%	2.28%	2.28%	2.47%
Min	-2.36%	-1.96%	-2.19%	-2.20%	-2.20%	-2.20%

The fund would endeavor to maintain the indicated asset allocation. However there could be a variance in the asset allocation on account of receipt of cash flows as mentioned above, which on an average takes 5 business days to clear given the existing operational procedure.

Banking and Utilization of Funds

A) Banking of Funds

Following are the various modes of payments for Purchase/Additional purchases and SIP transactions for Reliance Gold Savings Fund

1. Electronic mode:

Real Time Gross Settlement (RTGS)

Any investor can transfer funds thru RTGS for amounts exceeding Rs.2 Lacs (limit specified by RBI as of now) within the stipulated cut off time prescribed by the Bank and investor should ensure that the remitting bank ,branch are RTGS enabled. In this mode as per instructions of investors, the funds get transferred to the scheme account (beneficiary's account) on the same day.

National Electronic Funds Transfer (NEFT)

Any investor can transmit funds thru NEFT Mode for amounts less than Rs.2 Lacs (Limit prescribed by RBI). NEFT has 11 settlement cycles and the funds get transferred in batch mode. If the funds are transferred after 5 p.m. on any working day then the funds are moved to the beneficiary's account invariably only on the next day.

Electronic Clearing System (ECS)

There are 84 ECS locations across India. This mode is generally used for SIP (Systematic Investment plan) for small ticket size investor. After getting a mandate from the investor, funds are cleared from the respective account of the investors bank to the scheme account i.e. beneficiary's account. Funds are usually settled within 2 days and for few locations beyond 2 days depending on the clearing cycle of the respective locations This is also one of the safest modes of transfer of funds thru electronic clearing introduced by RBI.

Auto Debit

If an Investor is having account with the bank, where a Scheme is also having account, the Fund Transfer is happening through Auto Debit mode. The Funds are credited to Scheme account on the same day. This facility is carried out on the basis of mandate given by the Investor. This is generally used for SIP type of transactions, where there is a small ticket size and Investor wants to continue his Investment at specific intervals.

2. All categories of Investors - for Physical mode

Magnetic Ink Character Recognition (MICR) instrument:

Any cheques/DD deposited in MICR clearing generally takes two days time and for certain locations beyond 2 days depending on the clearing cycle and for credit to beneficiary account. In some location, it takes three to seven days, since the clearing is depending on SBI or SBI associates or some of Public sector Banks.

Post Dated Cheque (PDC)

PDC is nothing but postdated cheques, which is generally obtained from the investors for SIP transactions at remote locations which are not covered by ECS or Auto Debit where an investor can opt for a SIP cycle and issue post dated cheques. The cheques are banked on the respective cycle dates and the clearing is based on the normal MICR clearing cycle as specified by RBI/SBI from time to time.

Transfer instrument

An investor maintaining an account with the bank, where the scheme is also maintaining account, the transfer of funds takes place simultaneously and the Fund movement takes places in a seamless manner.

The weighted average of inflows into Debt Funds is maximum two days.

The above data for inflow of clear funds for equity and non liquid debt schemes is for the month of Feb 2018. The average number of days of inflow of clear funds into Reliance Gold Savings Fund may differ depending on the mode/source of transaction.

Note: T day means date of deposit.

RNAM will on immediate basis deploy the clear funds available in the scheme account either through stock exchange platform or directly through AMC.

C) Utilization of Funds : Transactions are accepted before the cut off time as specified by SEBI from time to time. All the transactions are reported in our Registrars and Transfer Agents system by the respective branches across India and funds get deposited into the banks accounts. On the basis of clear Funds being available for deployment, cash flows are reported to the fund manager on timely basis.

The inputs regarding cash flows by various modes of acceptance will be planned on a daily basis. The subscription/redemption request will also be reported and used as a basis for investing in Reliance ETF Gold BeES on realization of funds. This will also form the basis for subsequent deployment of funds in Reliance ETF Gold BeES. The deployment will be carefully planned on the basis of the mode of acceptance of instrument to moderate tracking error. Fund Manager will either execute trade the units of Reliance ETF Gold BeES on exchange or subscribe directly to Reliance ETF Gold BeES (direct via AMC) depending on market dynamics in the best interest of investors.

RISK MITIGATION FACTORS/RISK CONTROL:

Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The fund will comply with all applicable exposure limits and take actions. Effective and continuous monitoring of the scheme shall be ensured and necessary actions, if any shall be taken, if required.

Tracking error	Source of tracking error	Measures taken by RMF to reduce tracking error
Tracking error with "Total returns index": It shall be calculated as the standard deviation of the difference of the scheme and benchmark weekly returns over the concerned period. The total returns index is the one where the returns also include the dividend paid by the underlying portfolio.	Delay in the purchase or sale due to market illiquidity	RMF appoints leaders in bullion business as Authorized participants/Market Makers to enhance liquidity on the stock exchange and reduce the impact cost and that will help RMF to minimize tracking error
	Availability of Gold bars for creation of Reliance ETF Gold BeES	RMF appoints leading bullion banks to make gold bars available for creation of underlying scheme (Reliance ETF Gold BeES) and that in turn will help minimize tracking error.
	Delay in receipt of subscription/SIP inflows	The inputs regarding cash flows by various modes of acceptance will be estimated on a daily basis by RMF. The subscription/redemption request will also be reported and used as a basis for planning investments in Reliance ETF Gold BeES. The deployment will be carefully planned on the basis of the mode of acceptance of instrument to moderate tracking error.
	Funds flows in Gold Saving funds of value lesser than Creation lot size of Reliance ETF Gold BeES	For small amounts of inflows/outflows which are less than the creation size of Reliance ETF Gold BeES, the Reliance Gold Savings fund will buy/sell Reliance ETF Gold BeES units directly on the stock exchange without waiting for additional subscription redemption to minimize tracking error.
	The trade execution prices for Reliance ETF Gold BeES may be different from NAV of Reliance ETF Gold BeES.	The execution price of Reliance ETF Gold BeES will be a factor of demand/supply on the stock exchange. The difference tends to average out over a longer time horizon and that will moderate tracking error.
The holding of a cash position and accrued income prior to distribution of income and payment of accrued expenses, funds to meet redemptions, recurring expenses etc.	RMF will keep offsetting the expenses/interest against the net inflows/outflows and keep investing/redeeming the balance amount from Reliance ETF Gold BeES to minimize the tracking error in best interest of investors.	

RISK PROFILE OF THE SCHEME:

- Investors may please note that they will be bearing the expenses of the relevant fund of fund scheme in addition to the expenses of the underlying schemes in which the fund of fund scheme makes investment.
- The Scheme may invest predominantly in Reliance ETF Gold BeES of Reliance Mutual Fund. Hence the Scheme's performance may depend upon the performance of the underlying mutual fund scheme. Any change in the investment policies or the fundamental attributes of the underlying scheme could affect the performance of the Scheme.
- The investors of the Scheme will bear dual recurring expenses and possibly dual loads, viz, those of the Scheme and those of the underlying Schemes. Hence the investor under the Scheme may receive lower pre-tax returns than what they could have received if they had invested directly in the underlying Schemes in the same proportions.
- The Portfolio disclosure of the Scheme will be limited to providing the particulars of the underlying schemes where the Scheme has invested and will not include the investments made by the underlying Schemes. However, as the scheme proposes to invest only in Reliance ETF Gold BeES, the underlying assets will by and large be physical gold.
- The changes in asset allocation may result in higher transaction costs.
- The value (price) of gold may fluctuate for several reasons and all such fluctuations will result in changes in the NAV of units under the scheme.
- The factors that may effect the price of gold, among other things, include demand and supply for gold in India and in the global market, Indian and Foreign exchange rates, Interest rates, Inflation trends, trading in gold as commodity, legal restrictions on the movement/trade of gold that may be imposed by RBI, Government of India or countries that supply or purchase gold to/from India, trends and restrictions on import/export of golden jewellery in and out of India, etc.
- The fund assets are predominantly invested in Reliance ETF Gold BeES and valued at the market price of the said units on the principal exchange.
- The same may be at a variance to the underlying NAV of the fund, due to market expectations, demand supply of the units, etc. To that extent the performance of scheme shall be at variance with that of the underlying scheme/s.
- The endeavour would always be to get cash on redemptions from the underlying fund. However, in case the underlying fund is unable to sell for any reason, and delivers physical gold, there could be delay in payment of redemptions proceeds pending such realization.
- The fund will subscribe according to the value equivalent to unit creation size as applicable for each of the underlying scheme. When subscriptions received are not adequate enough to invest in creation unit size, the subscriptions may be deployed in debt and money market instruments which will have a different return profile compared to gold returns profile.
- The liquidity of the Scheme's investments may be inherently restricted by trading volumes, settlement periods and transfer procedures. In the event of an inordinately large number of redemption requests, or of a re-structuring of the Scheme's investment portfolio, these periods may become significant.
- Although, the objective of the Fund is to generate optimal returns, the objective may or may not be achieved.
- The NAV of the scheme to the extent invested in Money market securities are likely to be affected by changes in the prevailing rates of interest and are likely to affect the value of the Scheme's holdings and thus the value of the Scheme's Units.
- While securities that are listed on the stock exchange carry lower liquidity risk, the ability to sell these investments is limited by the overall trading volume on the stock exchanges. Money market securities, while fairly liquid, lack

a well-developed secondary market, which may restrict the selling ability of the Scheme and may lead to the Scheme incurring losses till the security is finally sold.

- (p) Investment decisions made by the AMC may not always be profitable, even though it is intended to generate capital appreciation and maximize the returns by actively investing in equity and equity related securities.
- (q) The tax benefits available under the scheme are as available under the present taxation laws and are available only to certain specified categories of investors and that is subject to fulfillment of the relevant conditions. The information given is included for general purposes only and is based on advice that the AMC has received regarding the law and the practice that is currently in force in India and the investors and the Unitholders should be aware that the relevant fiscal rules and their interpretation may change. As is the case with any investment, there can be no guarantee that the tax position or the proposed tax position prevailing at the time of investment in the Scheme will endure indefinitely. In view of the individual nature of tax consequences, each Investor/Unitholder is advised to consult his/her own professional tax advisor.
- (r) Risk factors associated with repo transactions in corporate bonds -
The market for the aforesaid product is over the counter (OTC) and illiquid. Hence, repo obligations cannot be easily sold to other parties. If a counterparty fails, the scheme would have to take recourse to the collateral provided. If a counterparty fails to repay and the value of the collateral falls beyond the haircut, then the Scheme would be exposed to a loss of interest or principal
Further, if the Scheme needs to take recourse to the debt securities provided as collateral, and the issuer of the debt securities makes a default, the scheme may lose the whole, or substantial portion of the amount. This risk is somewhat mitigated by the fact that only bonds which have credit rating of AA and above can be accepted as collateral for repo transactions.
- (s) Risk associated with investments in Reliance ETF Gold BeES
Market Risk, Market Trading Risk, Lack of Market Liquidity, Time lag in procurement/redemption of physical gold, Reliance ETF Gold BeES may trade at prices other than NAV, Operational Risks, Regulatory Risk, Political Risks, Competition Risks, Credit & Interest Rate Risk, Redemption Risk, Asset Class Risk, Tracking Error Risk. For detailed information on risk factors, please refer to the Scheme Information Document for full disclosure.

- (22) **Prevention of Money Laundering and Know Your Client (KYC):** SEBI has prescribed uniform KYC compliance procedure for all the investors dealing with them. SEBI also issued KYC Registration Agency ("KRA") Regulations 2011 and the guidelines in pursuance of the said Regulations and for In-Person Verification ("IPV"). All investors (individual and non-individual) are required to be KYC compliant. However, applicants should note that minors cannot apply for KYC and any investment in the name of minors should be through a Guardian, who should be KYC compliant for the purpose of investing with a Mutual Fund. Should the applicant desire to change KYC related information, POS will extend the services of effecting such changes. In case of an existing investor of RMF who is already KYC Compliant under the erstwhile centralized KYC with CVL (CVL/MF) then there will be no effect on subsequent Purchase/Additional Purchase (or ongoing SIPs/STPs, etc) in the existing folios/accounts which are KYC compliant. Existing Folio holder can also open a new folio with Reliance Mutual Fund with the erstwhile centralized KYC.
 - (i) In case of an existing investor of Reliance Mutual Fund and who is not KYC Compliant as per our records, the investor will have to submit the standard KYC Application forms available in the website www.cvkra.com along with supporting documents at any of the SEBI registered intermediaries at the time of purchase / additional purchase / new registration of SIP/STP etc. In Person Verification (IPV) will be mandatory at the time of KYC Submission.
 - (ii) Investors who have completed with KYC process before December 31, 2011 (KYC status with CVL-KRA as "MF - VERIFIED BY CVL/MF") and not invested in the schemes of Reliance Mutual Fund i.e. not opened a folio earlier, and wishes to invest on or after December 01, 2012, such investors will be required to submit 'missing/not available' KYC information and complete the IPV requirements. Update of 'missing / not available' KYC information along with IPV is currently a one-time requirement and needs to be completed with any one of the mutual funds i.e. need not be done with all the mutual funds where investors have existing investments. The said form is available on RMF's website i.e. www.reliancecmul.com or on the website of Association of Mutual Funds in India i.e. www.amfiindia.com or on the website of any authorised KRA's. Once the same is done then the KYC status at CVL-KRA will change to 'Verified by CVL KRA' after due verification. In such a scenario, where the KYC status changes to 'Verified by CVL KRA', investors need not submit the 'missing/not available' KYC information to mutual funds again.
- (23) **Communication for the investors:** In accordance with SEBI Circular No. CIR/IMD/DF/16/ 2011 dated September 8, 2011 and SEBI Circular no. 2. The CAS shall be generated on a monthly basis and shall be issued on or before 10th of the immediately succeeding month to the unit holder(s) in whose folio(s) transaction(s) has/have taken place during the month.
3. In case there is no transaction in any of the mutual fund folios then CAS detailing holding of investments across all schemes of all Mutual Funds will be issued on half yearly basis (at the end of every six months i.e. September/ March).
4. Investors having MF investments and holding securities in Demat account shall receive a Consolidated Account Statement containing details of transactions across all Mutual Fund schemes and securities from the Depository by email / physical mode.

The word 'transaction' shall include purchase, redemption, switch, dividend payout, dividend reinvestment, systematic investment plan, systematic withdrawal plan and systematic transfer plan transactions. CAS shall not be received by the Unit holders for the folios wherein the PAN details are not updated. The Unit holders are therefore requested to ensure that the folio(s) are updated with their PAN. For Micro SIP and Sikkim based investors whose PAN details are not mandatorily required to be updated Account Statement will be dispatched by RNAM/RMF for each calendar month on or before 10th of the immediately succeeding month.

In case of a specific request received from the Unit holders, RNAM / RMF will provide the account statement to the investors within 5 Business Days from the receipt of such request.

- (24) **Units held in the dematerialized form:** Unitholders can have an option to hold the units in dematerialized form in terms of the guidelines / procedural requirements as laid by the Depositories (NSDL/CDSL) / Stock Exchanges (NSE / BSE). - Prevention of Money Laundering and Know Your Client (KYC)**

In order to reduce hardship and help investors dealing with SEBI intermediaries, SEBI issued three circulars: MIRDSD/Cir-21/2011 dated October 05, 2011, MIRDSD/Cir-23/2011 dated December 02, 2011 and MIRDSD/Cir-26/2011 dated December 23, 2011 informing SEBI registered intermediaries as mentioned therein to follow, with effect from January 01, 2012, a uniform KYC compliance procedure for all the investors dealing with them on or after that date. SEBI also issued KYC Registration Agency ("KRA") Regulations 2011 and the guidelines in pursuance of the said Regulations and for In-Person Verification ("IPV").

All investors (individual and non-individual) are required for KYC compliance. However, applications should note that minors cannot apply for KYC compliance and any investment in the name of minors should be through a Guardian, who should be KYC compliant for the purpose of investing with a Mutual Fund. Also applicants' unit holders intending, to apply for units currently holding units and operating their Mutual Fund folios through a Power of Attorney (POA) must ensure that the issue of PoA and the holder of the POA must mention their KYC compliance status at the time of investment. PoA holders are not permitted to apply for KYC compliance on behalf of the issuer of the PoA. Separate procedures are prescribed for change in name, address, and other KYC related details, should the applicant desire to change such information. POS will extend the services of effecting such changes.

In line with the SEBI circular No. MIRDSD/Cir-5/2012 dated April 13, 2012 and various other guidelines issued by SEBI on the procedural matters for KYC Compliances, the investors are requested to note the following additional provisions shall be applicable for "KYC Compliances" with effect from December 1, 2012:

- In case of an existing investor of RMF and who is already KYC Compliant under the erstwhile centralized KYC with CVL (CVLMF) then there will be no effect on subsequent Purchase/Additional Purchase (or ongoing SIPs/STPs etc) in the existing folios/accounts which are KYC compliant. Existing Folio holder can also open a new folio with Reliance Mutual Fund with the erstwhile centralized KYC.
- In case of an existing investor of Reliance Mutual Fund and who is not KYC Compliant as per our records, the investor will have to submit the standard KYC Application forms available in the website www.cvlkra.com along with supporting documents at any of the SEBI registered intermediaries at the time of purchase / additional purchase / new registration of SIP/STP etc. In Person Verification (IPV) will be mandatory at the time of KYC Submission. This uniform KYC submission would be a one-time submission of documentation.
- Investors who have complied with KYC process before December 31, 2011 (KYC status with CVL-KRA as "MF - VERIFIED BY CVLMF") and not invested in the schemes of Reliance Mutual Fund i.e. not opened a folio earlier, and wishes to invest on or after December 01, 2012, such investors will be required to submit "missing/not available" KYC information and complete the IPV requirements.

Update of "missing / not available" KYC information along with IPV is currently a one-time requirement and needs to be completed with any one of the mutual funds i.e. need not be done with all the mutual funds where investors have existing investments. Once the same is done then the KYC status at CVL-KRA will change to "Verified by CVL KRA after due verification. In such a scenario, where the KYC status changes to "Verified by CVL KRA", investors need not submit the "missing/not available" KYC information to mutual funds again.

Individual Investors are required to submit "KYC Details Change Form" issued by CVL-KRA available on their website www.cvlkra.com.

In case of Non individual investors, complied with KYC process before December 31, 2011, KYC needs to be done afresh due to significant and major changes in KYC requirements.

Investors to provide the complete details in the KYC application form along with the required documents (for individual investors or non-individual investors as appropriate). The said form is available on RMF's website i.e. www.reliance mutual.com or on the website of Association of Mutual Funds in India i.e. www.amlfiindia.com or on the website of any authorised KRAs.

- In case of NRFI investors the Account Statements / Redemption Cheques / Other correspondence will be sent to the mailing address mentioned.
- All applications are accepted subject to detailed scrutiny and verification. Applications which are not complete in all respects are liable for rejection, either at the collection point itself or subsequently after detail scrutiny/verification at the back office of the registrars.

- RMF offers facility to register multiple bank accounts in the folio and designate one of the bank account as "Default Bank account". Default bank account will be used for all dividend and redemption payouts unless investor specifies one of the existing registered bank account in the redemption request for receiving redemption proceeds. A new non-registered bank account specified in the redemption request for receiving redemption proceeds will not be considered and the redemption proceeds will by default be credited into the default Bank account. The investor will have to initially get the non registered bank account registered in the folio and then apply for the redemption request. Also if no registered bank account is mentioned at the time of redemption then by default the redemption proceeds will be credited into the default Bank account.
